

Announcing an important change

... THAT WON'T CHANGE THE GREAT PRODUCTS
AND SERVICES YOU'VE BEEN RECEIVING

First SunAmerica has merged into US Life

On December 31, 2011, First SunAmerica Life Insurance Company (FSA) merged with The United States Life Insurance Company in the City of New York (US Life).

Combining these two SunAmerica Financial Group sister companies creates a simplified corporate structure and a larger, stronger entity to serve our customers in New York. US Life has been keeping promises to American families and businesses for more than 150 years.

This milestone event will not affect your annuity contract provisions or values. US Life will be the issuer of all annuities in New York, but the contracts will still be administered by the same experienced, responsive customer service team.

Another great name comes to New York

We're also taking this opportunity to extend the rich history of the Western National brand to our New York customers. Western National has been distributing fixed annuities outside of New York for over 60 years and is a leading distributor of fixed annuities through financial institutions.

On March 1, 2012, FSAannuity.com becomes WesternNational.com

Until March 1, 2012, you can continue to access our website for information and transactions at www.FSAannuity.com. After March 1, 2012, all traffic to this Web address will automatically be re-routed to www.WesternNational.com.

The Western National series of annuities is issued and underwritten in New York by The United States Life Insurance Company in the City of New York and in all other states by Western National Life Insurance Company.
